

A Podcaster's Code of Ethics

By: Nelson

- **Always be respectful to people you talk about or include in your podcast.**
- **Always tell the truth and provide accurate information about the subject you are presenting.**
- **Always let the listeners know if you are going to state your opinion.**
- **Let every view be heard, not just yours.**
- **Always give credit to whoever/ wherever you get your information .**
- **Make everything into your own words, plagiarism is illegal.**
- **Always display good character.**
- **Always be responsible to your listeners.**
